

April 10, 2026: On Continuing to Document the Downfall of America

'High places' are places that are unreachable.

You can read about them all over the Bible about the kings that 'did what was evil', etc.

I can confirm that our government, absolutely and without a doubt, does not respond to the legitimate engagement of its constituents - up to and including writing countless letters and filling multiple lawsuits which were systematically dismantled and dismissed - with prejudice.

The government has become 'unreachable' to the normal American citizen.

This marks a very serious problem in the bond between governing and governed people.

We are experiencing that we are being taxed for our money and that our requests for the government to perform anything more than perfunctory and ministerial tasks are being ignored, illegally denied, and subjected to illegal retaliations from a gang of criminals that are being used to protect those that are sitting within the government offices.

This is the truthful and honest account of what is currently happening in America.

I have confirmed each of these stated facts with personal and recorded experiences that are provable, and conveyable to others.

Our voices are being suppressed.

I am writing, speaking, and attempting to engage everywhere that I can to no avail and I do not believe that we are welcome to engage in the public forum. My social media and other communication accounts have been given strikes, timeouts, warnings, or have otherwise been locked from usage. (I have zero views, and my accounts are taken down in real-time by 'Admin')(This is absolutely a systemic plot and is organized crime to silence their victims.)

People in my immediate community are retaliating against me in my daily life and they do not even know me.

Apparently the evil spirit within them just seeks to lash out at me as they drive their cars past my home - or perhaps the spies within the government are using them as hosts of evil to carry out their message of 'keep away, we are too holy for you.'

These are all Biblical phenomenon that have taken place in my real life.

I am publicly recording that I am experiencing a Nazi government that I attempted to leave behind and these literal Nazis did follow me and appear at my front door (more than once) all the way in Periana, Spain. I am publicly disclosing that the Freemason's worldwide network is admittedly involved in this process of stalking and harassment of my life.

I have attempted to engage the international, national and local police and all of my attempts have been unsuccessful.

I am experiencing the exact same types of 'suppression' forces that are documented in the Epstein files that are being described in the experiences of the victims of the Epstein gang of rapists and child molesters.

I can confirm that this absolutely appears to be the same ring of people conducting these operations in the same way.

As I have expressed to my wife, everything that we were warned about appears to be real, except those people that we thought were here to 'Save America' are actually the very same people that are actively destroying it, hiding the evidence, and continuing to wage a war against us from their embedded positions in 'high places' in both government and the public-private partnership businesses that the government uses to facilitate its operations.

These are not conclusions that I draw from other sources. These are all facts that have been proven to me - and that I have documented to the best of my patience and ability to record in writing, by photograph, and by audio recording.

I am stating this from personal experience that is provably recorded over a period that spans at least 3 years now.

Let it be known to you and your family as well. I have been threatened and I have it recorded on video that a man with a gun approached me in my front yard at 830am for no readily apparent reason at all. The police did not bother to search for this suspect in any way.

I hope that you will spread the word about this very serious issue that has shown itself to my home.

However, as the Bible states, if Noah, Moses, and Daniel were all here to live with us now, none of them would be able to save anyone other than themselves by their own righteousness.

I feel the exact same way.

God be with you, world. America has gone astray to become a godless nation of criminals.

Donald Trump and team: you have proven yourself to be sickened individuals that cannot let go of your emotions. You are obsessed with the need to be hated - for your own feelings of self-importance.

I promise you all: If you were not surrounding my home with your stupid carnival show of losers all day and night, I would not give a single shit about who or what you are any more.

Whatever pain you feel from my writings, you brought it upon yourself by your own inability to stop spying on my life.

Donald Trump: You have proven yourself to be an outright fraud, a fake, and the very worst person in America.

TRULY, WE NEVER BELIEVED YOU WOULD BE THIS TERRIBLE BECAUSE WE HAVE NEVER EXPERIENCED AN OUTRIGHT EVIL LIKE YOURS IN ALL OF OUR TIME IN AMERICAN HISTORY.

YOU HAVE SET THE BAR, DONALD TRUMP. YOU TORE DOWN WHATEVER AMERICA HAD LEFT OF IT. Be proud of your evil - and enjoy the hatred that it deservedly receives every day.

You do not deserve our love or any positive attention in any way. You have proven yourself to be irredeemably flawed and embedded in your evil ways.
